

LYSEBU

Great memories to cherish

Nestled in the woody hills above Oslo, close to the landmark Holmenkollen, you will find Lysebu. The hotel resembles a Norwegian fairy tale castle, and staying here can feel like a dream: a warm and welcoming atmosphere, attentive staff, fantastic food and surroundings that makes it easy to unwind.

Lysebu is located in close proximity to several attractions and activities. The nature outside the doorstep is also an area for experiences, all year round.

Korketrekkeren

Oslo's most popular toboggan run is just 2 km from Lysebu. It starts at Frognerseteren, and runs for 2 000 metres downhill to Midtstuen metro station.

Take the scenic metro ride back up to Frognerseteren for another run, or to Voksenkollen for a stroll back to the hotel.

Tryvann

Only 4 km from the hotel you can visit Tryvann. During the winter season this is the biggest ski area in the Oslo region, with a total of 18 runs and 11 lifts. Bring your own equipment, or rent, and set off downhill.

During the summer season Oslo Summerpark at Tryvann offers bike rental, and has a huge climbing park and zip lines.

“Tur” – a Norwegian phenomenon?

Especially in the weekends you will see people hiking, biking or skiing. To go for a hike, or “tur”, is highly recreational: fresh air, exercise, an opportunity to clear your head or to talk...

Our surroundings is perfect for you to experience this yourself. And when you get back in, the delicious food taste even better!

get a rush – varied activities

Holmenkollen

Holmenkollen National Ski Arena is one of the most visited tourist attractions in Norway, and the jump tower is a famous landmark. Enjoy the breath-taking views from the top, and if you are brave enough – go on the 361 meter long zipline down (not during winter)! At Holmenkollen you will also find the Ski Museum.

A dosage of culture

Lysebu was in 2010 established as a permanent exhibition venue for art owned by Henie Onstad Art Centre. As of winter 2016/2017, there are works of 24 artists exhibited at Gallery Lysebu. The selection, "From fjord to mountain", includes works of important artists inspired by nature, and whose abstract idiom renewed the visual arts in Norway after World War II.

The perfect gift

Contact us for giving the perfect gift – a giftcard! It can be for one of our weekend packages, or tailored after your wishes. By giving a giftcard, you also give an experience, something to look forward to, and great memories to cherish.

The history of Lysebu is related to food, and food is one of our main focus areas to this day. Passion and pride lies behind everything from our homemade juices, jams, pastries, delicate macarons and petit fours, to mouth-watering dishes and our award winning wine cellar.

A delicate blend – international

Award winning wine cellar

In 1996 an old underground well was converted into a wine cellar. 4500 bottles of quality wines are stored here, and our 6 sommeliers contributes with their excellent knowledge. The wine cellar has been awarded one of the best in the world, and categorized "Best of Award of Excellence" by Wine Spectator since 2005.

Get into the holiday spirit

Every year, from mid-November, we host a sales-exhibition with Danish designer Jette Frölich. You can also bring your family for pre-Christmas dinner every Sunday leading up to Christmas.

Learn from the best

Take part in a cooking class, confectionary course, chocolate tasting or one of our other culinary events. We have a highly modern kitchen with amphitheatre. Go to our web-pages or contact us for more information.

We strive for good taste

To be able to serve you the best, we have our own in-house product developer. In cooperation with our chefs, pastry chef and sommeliers they seek for new products and culinary experiences. We make our own crispbread, juice, jam, macarons, petit fours, baked goods – and we might serve you our own brewed beer in the future.

Sunday barbeque

Come and join us for a Sunday barbeque! During the summer season our chefs heat up the barbeque in the garden, for a tasty informal meal enjoyed in the fresh air.
